GROUND RULES FOR THE FORUM

The League will provide a Moderator. The Moderator will state the rules and explain the format to the audience. The Moderator will be responsible for enforcing the time limits and may interrupt the Forum to enforce the Ground Rules.

Candidates will draw lots to determine the order in which they give opening statements.

Candidates will alternate the order of speaking. The candidate who makes the first opening statement will move to the "end of the line" for the first question, and this will continue throughout the questioning and closing statements.

Candidates will be allowed two (2) minutes to make an opening statement, one (1) minute to answer each question, and one (1) minute to make a closing statement.

Candidates' statements and responses will be timed. League members will keep time and display countdown cards visible to the candidates and the moderator.

Audience questions will be written on index cards and read by the Moderator. The League and the Moderator reserve the right to review and select questions for appropriateness and to avoid duplication.

No visual aids will be permitted.

A table will be provided outside the meeting room for campaign literature, but only for those candidates who attend and participate in the Forum. Campaign materials may not be handed out to audience members or placed on chairs inside the Auditorium.

The League reserves the right to publicize the Forum and may, at its discretion, invite the media or some other entity not associated with any candidate or campaign to provide televised, radio, or other coverage of the Forum.

Candidates may publicize their participation in the Forum in advance, but no voice, image, video or other recording of the Forum may be used by any candidate or candidate's representative in any campaign advertising.
